

Hi there, I'm Ilonka, and I've been enjoying living on Sint Maarten for nearly 2 years. I am originally from the Netherlands but this island is my home now. Sint Maarten is both beautiful and captivating, and this year, I've had the pleasure of joining the Sint Maarten Yacht Club (SMYC) team.

At SMYC, I'm looking after the boutique, managing our socials and coordinating activities like the Pub Quiz.

In addition to working at SMYC, I love to play tennis, padel, go for runs, and stay active with fitness. Moreover, I volunteer at the Freegan Food Foundation, which is a cause close to my heart.

I'm happy to be a part of SMYC's great projects, including Sailability, the Primary School Program, and sailing camps. These projects energize me, just like interacting with people does.

So, if you're in the area of the Boatique on a Monday or Tuesday, please feel free to stop by for a chat, seek information or of course buy a stylish SMYC shirt!
