

At 31 years old, I have called this island my home for the past 2.5 years, and I can't imagine being anywhere else. My journey here has been quite an adventure. I have a background in the hospitality and tourism industry in the Netherlands, where I was born.

My love for sailing started at a young age, It's been a perfect match to start working here and teaching again. This opportunity allows me to share my passion for the ocean and sailing. I teach Opti beginners on Mondays and Wednesdays; I work with the Opti Racing class, whether they are learning the basics or aiming for success in regattas.

From Thursday to Saturday, you can find me in the boutique or the office. I love helping people. Feel free to contact me to discuss sailing, if you need a new T-shirt, or just want to share your love for this island.
