

Hello everyone, my name is Natatia Gefferie, born in Suriname, raised in The Netherlands, and now living on this beautiful island Sint Maarten for two years. Courtesy has always been a passion of mine, making others feel comfortable and at home. Because of this passion I studied Hotel Management, Hospitality and Etiquette in Maastricht and in New York. With more than 15 years experience in the hospitality industry, as a manager and as a licensed trainer and teacher I started my hospitality and etiquette consultancy and training business.

As an interim manager during the maternity leave of the manager Saskia Revelman, I am honoured to be a part of the wonderful and driven team of the Sint Maarten Yacht Club. The Yacht Club fits perfectly in my passion for serving others; making colleagues, members and guests feel valued and well taking care of while helping to maintain the good reputation and success of the Yacht Club. My regular working days are Monday, Wednesday, Thursday and Friday from 08.30 A.M. till 05.00 P.M., at the office upstairs. You are welcome to visit.

May you need any assistance with gathering information concerning sailing classes, regattas or programs like Sailability or Primary School Sailing, please feel free to make this known to us.

We are here to serve you!
